

## Brave Are My People: Indian Heroes Not Forgotten

Pontiac, Sequoyah, Geronimo, Sitting Bull, Chief Joseph, and Chief Seattle. These legendary names are familiar even to the uninitiated in Native American history, yet the life stories of these great spiritual leaders have been largely unknown. In this, his last book, internationally celebrated author Frank Waters makes vivid the poignant, humorous, and tragic stories of these neglected and heroic Native Americans. From the brilliant tactical abilities of famed warriors to the eloquent oratory of indigenous philosophers, poets, and statesmen, the profiles in *Brave Are My People* help correct this error of omission. Now in paperback, *Brave Are My People* represents a major contribution to Waters' remarkable literary journeys through Indian culture.
