

Congressional serial set Volume 5460

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1909 Excerpt: ...Heer. *Populus knightii* n. sp. *Kn. Quercus platan ia* Heer. *Alnus kefersteinii* (Gopp.) Ung. *Corylus macquarrii* (Forbes) Heer. *Trapa* n. sp. *Betula stevensoni* Lx. *Platanus* sp. Of the fifteen species identified with previously known forms, no less than seven are found at Carbon, often in great abundance, and three of these are known from no other place. Several of the remaining species are reported from Evanston or in higher beds. There can be little doubt as to their affinities with Carbon, and we therefore refer these beds provisionally to this horizon. It is evident from the preceding notes that the coal-bearing series of the Laramie Plains is in large part, if not wholly, older than the true Laramie, as that formation is usually defined, although it yields what has been supposed to be a Laramie flora--that is, instead of conformably overlying the Fox Hills beds, it is overlain by them or included within them. Fossils collected from the Montana group at various localities west and northwest of Laramie have been determined by Stanton as follows: In a sandy layer in the upper beds of shale in the west end of The Big Hollow were found *Inoceramus bambini*, *Mactra gracilis*, and *Baculites anceps*. In sandy beds a few hundred feet higher, in sec. 16, T. 15 N., R. 76 W., the fossils collected are *Inoceramus bambini*, *Cardium speciosum*, and *Mytilus* cf. *subarcuatus*, and in still higher beds a short distance north of Table Mountain occur large numbers of *Cardium speciosum*, a form which has wide range of occurrence in the Montana. In the prominent point a mile east of Table Mountain, in the lowest heavy sandstone of the upper part of the Montana as here

divided, there was found the impression of a remarkable egg case of a fish of cliimajroid character, classed by Gill in t...
