

# Masculinity, Class and Same-Sex Desire in Industrial England, 1895-1957 (Genders and Sexualities in History)

Masculinity, Class and Same-Sex Desire in Industrial England, 1895-1957 explores the experiences of men who desired other men outside of the capital. In doing so, it offers a unique intervention into the history of sexuality but it also offers new ways to understand masculinity, working-class culture, regionality and work in the period.
