

Intermediate German grammar

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 Excerpt: ...fein. (2) When verbs compounded with these prefixes have the accent only on the root of the verb, they are usually transitive, inseparable, and conjugated with f)aben. (b) Winter, Ibiber. These prefixes form inseparable verbs, the only accent being on the verb stem. In forming nouns with these prefixes the accent is changed to the prefix. miberfbredjen, but ber SBiberfprudj. (c) SJHfj, boll. SDHfj is regularly inseparable, though sometimes separable in the infinitive and participle: mifjgeljanbeft or gemifj= fjanbelt. Several verbs with prefix mijj= are without augment: mijjlingen, mijjlang, mijjungen; mtjjbraudjen, mifjbraucbte, mijj= braudjt. SBoK is separable only when used as an adjective in the literal sense. 136. Uses of the Indicative Tenses. (a) The Present Tense. (1) The present is used for the past more frequently than in English to make a narrative more lively. (2) The present is used, usually with fdjon or feit, corresponding to an English perfect to denote an action or state continuing in the present. SSie lange finb te fdjon bier? In the same way the past is used for the English pluperfect. (3) The present is used to express an immediate future. 3dj fomme fofort. I shall come at once. (4) The present is sometimes used for an emphatic imperative. Du fdjtejjeft ober ftrrbft! Thou shalt shoot or die! (b) The Past (Imperfect) and the Perfect. (1) The perfect expresses an action (or condition) as completed in the present time. 3dj babe bie Slrbeit oollenbet. (2) The past is, however, usually the tense of historical narration. efern boflenbete idj bie Slrbett. (3) The imperfect idea is often expressed by means of the past tense with the adverb eben (foeben). @r fam eben f)eretrn, al8.. He was just coming in, when
